MADE IN THE USA

FOR US, THERE IS NO OTHER WAY.

Building a brand like DECKED is best done in the USA. Why build products overseas with half-assed shortcuts on quality. Just as they were from our very beginning, all DECKED products are still made-in-the-USA. We're proud to support American jobs and American manufacturing.

DRAWER SYSTEMS

YOUR TRUCK BED CAN DO BETTER.

You bought a truck for the bed,right? But by itself, that empty bed is just, well, an empty bed. It could be working harder for you. That's where the DECKED Drawer System comes in. It solves all the hassles of storing tools and gear in the back of your open truck bed. No more worries about the weather or theft. Your stuff is always dry, secure, organized and easy to access. So you're always ready to get after it.

TOUGH AS NAILS.

High-impact polymer resin co-molded to a steel subframe. Translation: Yeah, it's crazy strong. Backed by our No BS Lifetime Warranty.

100% WEATHERPROOF.

From 'acts of God' tocar washes, your tools and gear stay cozy and dry inside Drawers and Stash Bins.

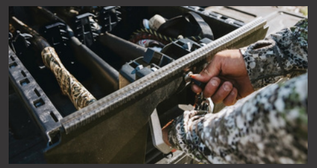

INTEGRATED T IE-DOWNS .

Burly D-ring anchor pointswith Steel2Steel connection secure your cargo and stow flat and out of the way when not in use.

NO WASTED SPACE.

Drop-in Stash Bins provide organized storage around wheel wells. Or leave them out to slide in longer items and access your vehicle's power panels.

SAFE AND SECURE.

The steel subframeand a locked tailgate will keep bad guys out. Add Drawer and Stash Bin Locks if you're extra leery.

EASY TO INSTALL.

Noengineering degree required. Most people can do it in about 90 minutes—plus beverage breaks.

FULL-SIZE DRAWER SYSTEM

MEETYOUR EVERYDAYPARTNER INGETTING AFTERIT.

READY TO GET DECKED?

FIND THE PERFECT FIT FOR YOUR TRUCK, VAN OR SERVICE BODY.

1 MAXIMIZED EXTENSION.
We maxed out the laws of physics to ensure maximum drawer extension.

2 MORE ROOM FOR MORE STUFF.
It's hip to be square: drawer shape makes the most of every inch of bed space.

3 2,000 LB PAYLOAD.
Top deck has the same payload as a ½-ton truck. Load it up.

4 200 LB PER DRAWER.
That's the weight of your average refrigerator.

5 EIGHT SECURE TIE-DOWN LOCATIONS.
Steel2Steel connections link tie-downs directly to the bed, with four 400-lb rated D-rings included.

6 WEIGHS LESS THAN YOU THINK.
The entire Full-Size Drawer System weighs only 204–233 lb. So you don't have to worry about compromising your truck's hauling or towing capabilities.

7 ACCESSORIES INCLUDED.
All Drawer Systems include four Stash Bins, four D-rings, one Halfrack 32L Case, one Sixer 16L Case, two dividers and one Drawerganizer.

*Stash Bins and D-ring tie-downs not included with RamBox, service body, or van models.

8 THE COMPLETE 8-FOOT SOLUTION.
Own an 8-foot-bed truck? Together with our standard 6.5-ft Drawer System, the Load Floor insert fi lls the gap between the Drawers and the cab-side bulkhead of your truck, giving you a continuous, load-bearing deck for hauling plywood, drywall, or whatever you throw at it.

MIDSIZE DRAWER SYSTEM

THESINGLE-DRAWERVERSIONOFOUR FLAGSHIP PRODUCT.

READY TO GET DECKED?

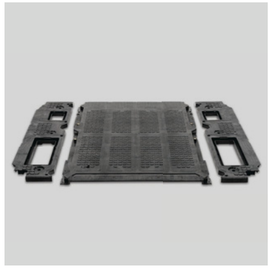

FIND THE PERFECT FIT FORYOUR TRUCK, VAN OR SERVICE BODY.

1 MAXIMIZED EXTENSION.
We maxed out the laws of physics to ensure maximum drawer extension.

2 MORE ROOM FOR MORE STUFF.
The single MegaDrawer makes the most of limited midsize bed space.

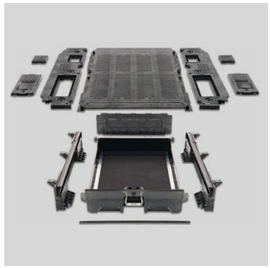

3 1,000 LB PAYLOAD.
So go on and load it up. That's like a concert piano, a full-grown cow, or a cubic yard of gravel.

4 400 LB DRAWER PAYLOAD.
That's like 40 gallons of paint or a full-size refrigerator (not that it would fi t).

5 SIX SECURE TIE-DOWN LOCATIONS.
Steel2Steel connections link tie-downs directly to the bed, with four 400-lb rated D-rings included.

6 WEIGHS LESS THAN YOU THINK.
The entire midsize Drawer System weighs only 177-204 lb. So you don't have to worry about compromising your truck's hauling or towing capabilities.

7 ACCESSORIES INCLUDED.
Midsize Drawer Systems include for D-rings, four Stash Bins, one Halfrack 32L Case, one Sixer 16L Case and one Payloader 32L Bin.

* Stash bins not included/compatible with Ford Maverick or Rivian R1T.

DRAWER SYSTEM ACCESSORIES

BATTLE MAT

The grippy, nearly indestructible Battle Mat keeps stuff stuck in place while protecting your Drawer System. Perfect for hauling everything from cinder blocks and lumber to all those rusty car parts you can't seem to let go of.

- Sized to fi t your truck and Drawer System
- Made of Nyracord® 100% recycled rubber
- Installs in seconds and instantly removable
- D-quence pattern interlocks with D-co Case base
- 20.5 - 44.5 lb item weight, 0.3" thick
- Minor trimming may be necessary for certain makes and models

TRACTION MAT

TheTraction Mat is the slip-resistant solution for transporting coolers, cases, kennels, or boating and fi shing gear — while making it easier on the knees when you need to crawl in. Plus it looks cool.

- Custom cut to fi t your Drawer System
- Hydrophobic EVA foam stays grippy even when wet
- Catch-free chamfered edges
- Adhesive backing sticks tight but won't leave residue or fragments upon removal
- 22-35 lb item weight, 0.2" thick
- Does not interfere with Drawer System removal or reinstallation

L OCKS

Letus take a wild guess: you like the stuff in your Drawers. So why risk it? Lock up your Drawers and Stash Bins with these same-key locksets.

- Available in sets of two, three, or six
  - 2-pack: two Drawer locks for full-size Systems
  - 3-pack: one Drawer and two Stash Bin locks for midsize systems
  - 6-pack: two drawers and four Stash Bin locks for full-size Systems
- Each set includes two keys
- Additional same-key locks available

CAM STRAPS

The quickand easy way to strap down coolers, D-co Cases or a load of lumber.

- Set of two
- 15 ft x 1"
- 135 lb rating

RATCHET STRAPS

Ahuge upgradeover youraverage ratchet straps. Tie down your load with better quality for better peace of mind.

- Set of two in black or blue
- 12 ft x 1.06"
- 1,000 lb rating
- Hook retainers keep straps in place

D-RING TIE-DOWNS

Hauling morestuff than a 20-mule pack train? Put those top panels to work with additional D-rings to lash down anything and everything.

- Two per pack
- 400 lb pullout rating
- Anti-corrosion steel
- Four included with every Drawer System

DIVIDERS

Your truck isn't meant to sit still. Full-size Drawer System Dividers lock into various positions to keep your gear right where you left it.

- Available in packs of two or four
- Locking tabs keep them in place
- MOLLE-compatible perforations
- Not compatible with Midsize Drawer Systems

DRAWERGANIZER

It'snocoincidencethat the Drawerganizer is shaped like a smile. Maximize space near the full-size drawer handle with this perfectly nested bin.

- 13.2 L capacity
- 10.1" x 18.5" x 7.1"
- Not compatible with Midsize Drawer Systems

DOUBLE DRAWERGANIZER

Ample capacity without breaking your back. The "Double D" is the perfect grab-and-go addition to your full-size Drawer System.

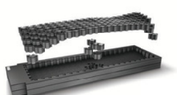

- Convenient grab handle
- Two removable dividers
- 25 L capacity
- 16" x 18.5" x 7.5"
- Not compatible with Midsize Drawer Systems

STASH BINS

Dial inyour DrawerSystem's storage with extra Stash Bins. Each pass-through location can fi t up to two bins under a lockable lid.

- Pack of two
- Available in Deep or Shallow
- Deep: 5.8 liters, 9.5" deep
- Shallow: 1.5 liters, 2.5" deep
- Compatibility dependent on wheel well confi guration

PIECEKEEPER PUZZLEFOAM™

Got bows, fi rearms, or tools that need protection? Piecekeeper Puzzlefoam will perfectly cradle them in your DECKED Drawer System.

- Friction-fi t foam pieces create custom storage compartments in just about any shape or size
- Infi nitely customizable—change your setup whenever your gear or seasons change
- Full-size Drawer System kit fi lls one Drawer
- Midsize Drawer System kit fi lls one half of the single Drawer
- 4.5" total depth: one 0.5" base pad, two 2" Customizable PuzzleFoam layers

CARGOGLIDE

NEVER CRAWLINYOUR TRUCK BEDAGAIN.

You know how it goes. You open the tailgate and, without fail, the one thing you need is way up against the cab. Do you walk around and climb on a tire? Do you (try to) leap up on the tailgate? Or do the belly crawl of shame? Not with DECKED CargoGlide. This smooth-rolling cargo tray brings the full contents of your bed out to you at waist level. No jumping. No reaching. No crawling. Just grab, pull, and get after it.

BUILT FOR BRUTALITY.

Onlythe burliest industrial-grade materials need apply: powder-coated American steel, aluminum, ¾” marine plywood, and an impact-resistant thermoplastic topsheet. All backed by our No BS Lifetime Warranty.

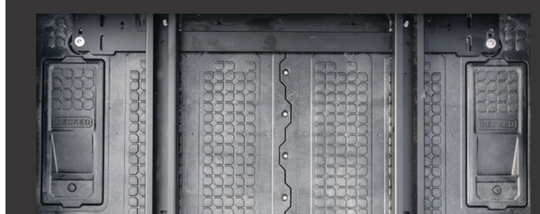

OH-SO-SMOOTH.

Like abowling ballwith brakes. One-handed operation and rattle-free stainless steel bearings glide heavy cargo out, while the auto-stop handle prevents runaway cargo.

ONE-HAND HERO.

No needto drop that cargo (orset down your drink). Easy one-handed operation means you can get loads in and out without a hitch in your step.

EASY TO INSTALL.

Ifyou candrill holes,you caninstall CargoGlide. Better yet, if you’re mounting directly to the DECKED Drawer System, there’s no holes necessary with the universal Bracket Kit.

CARGOGLIDE 1500

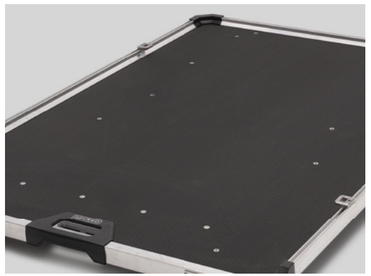

BEST-IN-CLASS75%EXTENSION WITH 1,500 LBPAYLOAD.

CARGOGLIDE LINEUP

600

Left,right, center, side-by-side. Those aren't dance moves, but you might do a jig after you mount this mighty mid-width just where you want it.

- 600 lb payload / 75% extension
- Multiple mounting options (see page 34)
- Four D-ring tie-downs included
- Tray/total height: 3.4" / 4.6"
- Item weight: 87 - 119 lb
- Available for Maverick, midsize short and long, full-size short and standard
- Drawer System compatible

1500

Worksmarter, not harder, with these burly and easy-to-operate ¾- extension sliding cargo trays.

- 1,500 lb payload / 75% extension
- Four D-ring tie-downs included
- Tray/total height: 3.9" / 5.2"
- Item weight: 105 - 184 lb
- 1000XL/1500XL available for full-size short, standard, and long + midsize short and long
- Drawer System compatible

XL 100% EXTENSION SERIES

Ifyour ideal amount of reachinginto the bedis "zero," let the XL series bring 100% of your cargo 100% of the way out to you.

- Payload options of 1,000, 1,500, or 2,200 lb
- High Sides and four D-ring tie-downs included
- Tray/total height: 5.6" / 13.6" (with included High Sides)
- Item weight: 196 - 443 lb
- 1000XL available for midsize short and long
- 1500XL/2200XL available for full-size short, standard, and long
- 2200XL available for service bodies
- Not Drawer System compatible

CARGOGLIDE ACCESSORIES

BATTLE MAT

More grip than a cactus in a mudslide and sturdier than a backcountry mule, the Battle Mat keeps cargo in place while adding an extra-rugged layer of protection.

- Sized to fi t your CargoGlide width
- Ultra-heavy duty, 0.3" thick
- 100% recycled Nyracord® rubber
- D-quence surface pattern matched to integrate with D-co Case base pattern
- Trimming along provided cut lines may be required for some CargoGlide lengths

HIGH SIDES

Yougot yourgear, now keep it together. Elevate your cargo carrying capabilities with these 8" tall side-rail extensions.

- 8"H x 39.4"L
- Available for all CargoGlide widths: 48", 46", 41", and 24"
- Maintains access to T-slot channels
- Included with every CargoGlide XL

D-RING TIE-DOWNS

Lash down your gear withthese seamlessly-integrated tie-downs.

- 500 lb rating per tie-down
- Heavy-duty aluminum construction
- Drops in to T-slots anywhere, no need to slide in from one end
- Set of four included with every CargoGlide
- Additional sets of four available

CARGOGLIDE ON DRAWER SYSTEM MOUNTING KIT

Like coff ee and donuts, CargoGlide and the DECKED Drawer System are even better together using this universal kit.

- Mount DCG15000 or up to two DCG600 on your Drawer System
- No drilling: bolts to Drawer System D-ring mount locations
- Installs in under 45 minutes
- Not compatible with RamBox, service body, or van Drawer Systems

- Not compatible with Legacy CargoGlide
- Dimensions: 40.7 - 48.2”L x 4.2”W x 7.7”H
- Weight: 9.0 - 10.5 lb

TOOL BOX

THERE'SNEVER BEENA TOOLBOXLIKE THIS.

Most toolbox brands haven't changed in years.It's the same old materials and problems. To that end, we bring you the all-new DECKED Tool Box. Exhaustively engineered to be stronger than steel and as light as same-gauge aluminum. No denting, leaking and security issues that seem to be standard for most other tool boxes. This is the only Tool Box that could earn the DECKED badge. There's never been a Tool Box like this.

ENGINEERED TO BE THE TOUGHEST TOOL BOX EVER.

Wecan say it's built with fiber-reinforcedsheet molding compound resin, but what you need to know is that it's stronger than steel, as light as same-gauge aluminum, and will never dent, rust, crack, or fade.

NO-HANDED OPENING.

Sure, you could use your hand.But what ifyour hands are full? Just bump the oversized START button with an elbow and the lid opens smoothly and automatically.

WEATHERPROOF AND SECURE.

Steel reinforced,tamper-resistant locks. our H2Zero Gasket, and an over-engineered lid-to-tub interface keep potential thieves and weather where they belong: outside.

NEXT-LEVEL ORGANIZATION.

Thoughtful details like integrated storagetrays,optional tool hooks, and D-co Storage Case rails help keep you organized even on the most hectic days.

TOOL BOX

800LBPAYLOAD.100% WEATHERPROOF. ZERO COMPROMISE.

READY TO GET DECKED?

FIND THE PERFECT FIT FOR YOUR TRUCK.

1 COMPRESSION-MOLDED.
Resin is formed under extreme heat and pressure to deliver exceptional strength-to-weight durability, supporting a 300 lb static lid load and an 800 lb dynamic tub payload.

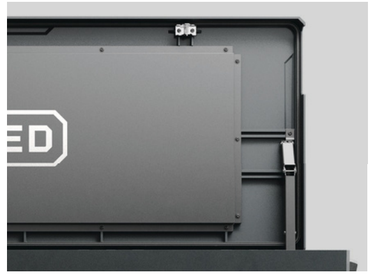

2 D-LINK STRUT LINKAGE.
Gas-assist struts use an industry-fi rst D-link to tuck out of the way and fold into the bedrail, preserving tub space and maximizing access.

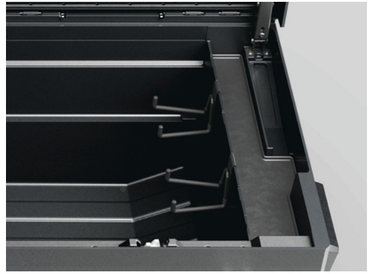

3 ONE-TOUCH OPENING.
The oversized START button opens your Tool Box from either side with a simple tap; gas struts lift and close smoothly; the single driver-side lock secures gear.

4 ACCESSORIES AND ORGANIZATION.
Integrated side trays hold small tools, and accessory hooks hang cords or gear. Plus, drop your Halfrack 32, Payloader 32, or select Milwaukee Packout cases into the Tool Box.

5 H2ZERO GASKET.
An over-engineered tub lid creates a tight, weatherproof seal to keep out the elements.

6 TOOL HOOKS.
Customize your setup with heavy-duty hooks to keep hoses, cords, and tools tidy and within reach.

● DECKED BLACK ○ INDUSTRIAL WHITE ● FENDER DIRT

TOOL BOX

- 800 lbpayloadin tub / 300 lb payload on lid
- D-co Storage Case rails elevate the Halfrack 32 and Payloader 32 above the bottom of the tub
- Additional D-co Cases nest neatly in the bottom of the tub
- Quick and easy installation
- Two D-ring tie-downs included (Tool Hooks sold separately)
- Exterior Dimensions: 71.65" L × 16" T × 25.5" W
- Interior Dimensions:59.9" L × 13.4" T × 21.4" W
- Total Interior Volume: 10.2 cubic feet (288 liters)
- Item Weight: 110 lbs
- Fits most trucks with inside-bedrail bed width of 61.375" to 70.5"
- Fits with Drawer System in eight-foot bed
- Compatible with CargoGlide

TOOL HOOKS

Customize your setup with these heavy-duty hooks to keep items like hoses, extension cords, power tools, and hand tools tidy and within easy reach.

- Tool Box accommodates up to four (two per side)

- Non-slip texture keeps items in place
- Six mounting locations at each end
- Sold in sets of two
- Dimensions: 3.83"L x 3.25"W x 3.5"H

D-RING TIE-DOWNS

Lash downyourgear with theseintegrated tie-downs.

- 200 lb static rating per tie-down
- Heavy-duty aluminum construction
- Set of two included with every Tool Box
- Additional sets of two available

D-CO CASE SYSTEM

FROMHOME BASETOBASECAMP, WORKSHOP TOWORKSITE.

Shift gears from theweekday grindtothe weekendgrin fasterthan you can say “quittin’ time” with the toughest, most functional organizational system out there. D-co Cases are thoughtfully designed to integrate seamlessly with our Drawer System, CargoGlide, and each other to make life more efficient whether in the garage, on location, or in the back of your rig. With a quick swap of these rugged and intuitive cases, you’re on to the next project or adventure, saving time for what really matters. Like happy hour.

D-CO COLORS.

Choose yourfavoriteto keep your sh*t tight, or grab ‘em all for color-coded organization at a glance.

BUILT FOR A BEATING.

D-co Cases are made for rugged workand adventure, so we built them from high-impact resistant materials with H2Zero gaskets and secure, intuitive latches. Weatherproof. Dustproof. Idiot-proof.

GRIP AND GO.

Multipleergonomic carry options keep your digits happy. And with one-handed Clutch Latch or Cam Latch and in-drawer access, you can hold on to that cup of joe without slowing your roll.

STACK ‘EM HIGH.

Grab a step ladder: Stable Stack lid-to-base integration lets you stack D-co Cases as high as you can reach and won’t tip over up to a 42˚ angle.

SITS AND STAYS.

Rubberized feet grip any surface while the D-quence base pattern interlocks with Drawer System top panels and Battle Mats to keep your Cases right where you left them.

D-CO CASES

WHETHERYOU'RE BUILDING A HOUSE OR NEED TOGETOUTOF THE HOUSE,THE D-CO CASE SYSTEM KEEPS YOUR SETUP DIALED.
